GERALD’S GLEANINGS

Sunday was a good day around 249.

Did you see the visitors Sunday morning? Sure you did! Again we had some from out of town and some from around town.

I went to the doctor on Monday to set up the appointment to change the battery for the defibrillator-pacemaker that I have had for 9 years. The doctor told me that if this was the first time to put it in that they would not do it. My heart has actually improved its function and is stronger now than it was then. However, he is going to replace it since everything is already there they are going ahead and changing it out. I am so thankful to God. It is scheduled for Tuesday morning at 7:00 A.M.

We have two more weeks to go in our Wednesday night summer series of guest speakers. Next Wednesday night it will be brother Anthony Fletcher Sr. from Barretts Station church of Christ. And our last speaker will be Governor Clements from the Candlelight church of Christ.

We will begin our new Wednesday night class on Wednesday night September, 6th. I am looking for feedback from as many as will give it. I have already gotten some. We could study the overview of the Bible and how it all fits together along with some principles of how to study the Bible. Or we could study a book of the Bible maybe one of the Old Testament books like Genesis.

I love you!

Gerald
