Welcome Visitors

We want to personally thank you for joining us today. It is our prayer you leave our worship service with an uplifted spirit. Below is what you can expect during our services.

SINGING: Non-instrumental singing plays a great part of our worship services. We hope that you will find this to be an uplifting praise to the Lord. (Eph. 5:19)

LORD'S SUPPER: Each Sunday we observe the Lord's Supper, which reflects on the death, burial and resurrection of our Lord Jesus, and the hope of everlasting life we now can live through Him. (I Cor. 11:23-26)

CONTRIBUTION: During the service, we as members are given the opportunity to give a portion of what God has given us. This money is used to support the church and to help spread God's Word. (I Cor. 16:2)

THE CHURCH

The church is not made up of people who believe they are better than others, but rather it is made up of those who realize that they should be better than they are and must continually strive to do better always.

The church is not made up of perfect people, but people who realize they are following a perfect Lord and a perfect law and therefore must do the very best they can.

The church is not made up of people who never make mistakes, but those who often acknowledge their mistakes and then forsake them. Never must we seek to justify them or continually make the same mistakes over and over again.

The church is not trying to withdraw from everyone but rather to draw everyone into its fellowship and love who are willing to walk in the light where God the Father and Christ the Son are found.

The church is not trying to set up arbitrary rules to hinder anyone but rather to show the rule of Christ which helps everyone.

The church is not trying to take the joy out of life, but rather is trying to put real joy into every life it touches.

The church is not trying to make you feel ugly, but rather it is trying to instill the beauty of holiness in your life.

The church is not trying to become the master of your life, but trying to get you to master yourself.

The church is not trying to rob your life priorities, but rather trying to get you to put the priorities in your life.

The church is not trying to separate you from your money but rather is trying to keep your money from separating you from God.

GERALD'S GLEANINGS

We had a great assembly last Sunday at 249.

It was Mother's Day and we anticipated having visitors with us and we did. And thankfully we did. We always want to make our visitors feel welcome. We had visitors that Judy and I have known for a long time. And some of those we had not seen in a long time.

We had 129 present in our assembly and several of our regulars were not present. Of course this is the weekend children try to spend time with their parents. And I preached a sermon on Jochebed The Mother of Moses from Exodus 2:1-10. She was and is as recorded in the Bible a great example of how Mother's care for their children. But she also is an example of a Mother of faith in God. Thank you for your response to the sermon.

As I said last week, I will resume the sermons on figurative descriptions of God's people in the Bible. I am getting these figures from Ephesians 2:19-22. And this week the figure is The Temple of God.

I will be leaving Monday morning going to Austin for the annual sermon seminar that is held there. I have not been in several years and I am looking forward to it. It begins Monday night and lasts until Thursday noon. I will be back Thursday night. I look forward to seeing you Sunday. I love you
Gerald
