Take heed what you hear Mark 4:24

The wisdom of the Lord is certainly evident in this admonition. If you recall Jesus addressing the seven Churches of Asia, stated, "he that an ear, let him hear what the spirit saith unto the Churches".

In giving one's ear to hear some of that which is heard will rub off on you. There is indeed power in the spoken word. One would find no better evidence of this in going back in history to World War 11. Two men stand out in rallying their country to their side, Hitler in Germany, and Churchill in England.

It has been said for every truth advanced by God, The Devil counters with a lie. Therefore, words can be false and words can be true. Christians are taught in 1 Thessalonians 5:21, "prove all things and hold fast to that which is true. "Remember that all men are fallible, and good men, learned men, even pious men can err and some will believe a lie and will tell lies. Therefore, as taught "Search the scriptures to see if such things are so"

Error is productive of chaos and disorder, misleads, deludes, confuses, hinders and robs one of his or her soul. On the other hand Jesus said, "Blessed are they that hear the word of God and keep it". Luke 11:27.

God speaks to us through His word, and when we give our ear to hear and honor the word it will have it's desired effects. Let us examine ourselves and the effects our hearing has had on us. Have we heard well? Are we any wiser, more humble, more delighted, and is Christ more precious? Is sin more loathsome, and heaven more desirable? If so, no wonder Jesus said, "give heed to what ye hear, and blessed are they that hear the word of God and keep it. Luke 11:27.

Words of Encouragement

I have attended here at the Church of Christ since 1972, and I know this last Sunday we had the very first Facebook live stream only service in the history of the Church of Christ here at 249. Never have I seen such a beautiful Lords day without members of the Church present. We also had for the first time a Lord Supper drive through. Members stayed in their cars and received a sealed Lords Supper with a copy of the Bulletin. This was a blessing of encouragement for me as I was able to see my brothers and sisters in Christ as they came by the building.

I want to encourage all of you and ask that you do the following 3 things as we continue our fight with COVID-19.

1. Don't Give Up.

There is a solution. It may not be what we want, or easy, but there is always hope with God. He has promised never to leave us or forsake us (Hebrews 13:5). And the Lord will help us with things we dealing with. “So that we may boldly say, The Lord is my helper, and I will not fear what man shall do unto me”.

2. Pray Continually.

Jesus tells a parable “that men ought always to pray, and not to faint” Luke 18:1 This certainly sets forth God's advise in putting forth your case. Paul informs members of the church in Colossians 1:9 “do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all wisdom and spitual understanding”, So keep on praying and giving thanks for our Lord Jesus Christ.

3. Realize Your Source of Power.

We have the most powerful and wonderful source of power that is and will ever be. God is all! Don't let the things of this world distract you from the Lord. Relax in faith and trust in his power as Paul said “I can do all thing through Christ which strengtheneth me”. Philippians 4:13 Trust in the power of the Lord and Remember this is my Fathers world!

Let us all pray that God gives healing for those who are fighting with COVID-19.
