DOES GOD CARE

The question asked in the title of our article is one that I wish to answer clear and loud. Yes, He cares. Of course the answer I have given must be clarified. I know that the sacrifice of Christ and the desire of God is that all men (mankind) be saved and come to a knowledge of truth (1Tim.2:4) are clear indicators God's concern for all men. However, I am talking about the family of God, those who by reason of spiritual birth can truly say, "My Father who is in heaven".

Those who are in a covenant relationship with God are instructed to cast all their cares upon the Lord. (1Pet.5:7). Yet there are those who by lack faith question that God would even be cognizant of some of the problems they face. Sadly, they think God has too many other bigger situations to deal with, than to be concerned with little old me. Weak faith prompts one to think and wonder how God could ever be concerned with my struggle with money matters-problems within my family. After all I am just one among than four billion living on this earth with my individual problems, and how could He even know or be concerned?

God with all His responsibilities can pick out His child among the masses anytime, and know even the thinking in the heart of anyone. Jesus told His followers that the Father even knew the strands of hair a person has on his head-God even knew when a sparrow fell to the ground, so He knows and cares and He is never too busy to incline His ear to a child of His.

As a preacher, husband, and father, there were times that if I had not had the privilege of casting my cares upon the Lord, I would have been most miserable. Other than 1Peter 5:7, there is a song entitled "Does Jesus care?" Since God was in Christ and the two dwell within the Christian, the words tell about times in one's life when we desperately need God. (1) When the heart is pained, if you have lived long enough and been a parent there have been some hurts and pain too deep for mirth and song. (2) When we say good-by to the dearest on earth, and our sad heart aches until it nearly breaks, then comes the question "Does God Care? It is then we shout to the roof tops, "OH YES, HE CARES!!
