**People need the Lord**

We are so blessed to have so many modern conveniences in our life. People have become accustomed to a certain lifestyle of ease, but when these “modern conveniences” stop working we instantly recognize the need to have them fixed.

This last week the ice maker on my refrigerator stopped working. We all know the great significance and profound effect of having ice in one’s cup. Knowing that the survival of the entire household was at stake, I immediately started troubleshooting. I have very little knowledge about this modern refrigerator, but I knew the people who made it had a vast understanding of how it works, so I did what anyone who puts on their thinking cap would do, I looked at the owner's manual. I only had to hold down a button for 5 seconds to turn the ice maker back on. What a difference it made using the instructions from the maker. I don’t see how someone could fix this without the knowledge provided in the owner's manual.

Christians are blessed with the understanding that God is everything, and without Him there is nothing, knowing that man is made in the image of God, and in His likeness. Genesis 1:26.

Christians are blessed with the owner's manual of life from the maker, the Bible. Christians know that all the treasures of wisdom and knowledge are hid in Christ. Colossians 2:3

The world does not know the Bible, and the understanding of blessings one receives when we do what God says to do. Romans 5:11 This is not a hard process for one to understand, in fact this is completely and perfectly understandable to read the owner's manual if something is not working right, and let's face it, if you don't have Jesus Christ in your life it's not working right.

That's why without any shadow of doubt people need the Lord. There's no other way to be happy in this life, and no other way out of this world alive. John 14:6

Christians know how very important it is to tell others the hope we have in Christ Jesus, that telling others the message of the "Gospel" is the most important message and the only message that Jesus Christ ever had.

The message of the "Gospel" should take priority over any other worldly message. Remember, many are living as enemies of God, we are only Reconciled to God by the death of his Son. Romans 5:10

What message are you sending as a Christians?
