**Spiritual State**

(Hebrews 6:1-12)

Some are still babes in Christ, feeding on the elementary principles, not advancing beyond milk. This is not the new convert Christian, but those who obeyed long ago that need solid food.

We must go on to perfection, there is a time for milk when we are babes, but we must mature and the mature needs solid food.

Growth in Christ is moving forward not just learning over and over again that a sinner must repent and believe. Unfortunately, this is as far as some get, moving in a learning circle of elementary milk feeding.

We must grow to be strong in Christ and steadfast. The only way to overcome this world is with the mighty word of God.

When we study the word of God, we begin to know our God and understand what is acceptable there by knowing what to reject.

Ask yourself how could you stand for right if you don’t know what right is?
