**Take Time to be holy**

We are at the end of May and June is just around the corner. Time has gone by so quickly! With everything moving so fast it's easy to forget where you're going, and lose sight of the task at hand. Sometimes people are so busy they go in a room for something or some reason, and forget what they were doing, or why they even came into that room in the first place.

Christians are blessed with the example of Jesus Christ. Jesus knew what he was about to face at the hands of sinners, so in preparation he spent time alone Praying in Gethsemane. Matthew 26:36

Christians are also blessed with wonderful Hymn’s that we all sing together in worship service, and if you are like me throughout your work day as well. One of my favorites is “Take Time to be holy” Author: William D. Longstaff. So many time’s we sing Hymn’s together, but do we think on the words we are singing?

Let’s look at “Take Time to be holy” as a series of questions.

Take the time to take the test on the inside of the bulletin today, and see how you do.
