**August 29, 2021  
Handling of A Crisis**

**Crisis is defined as the turning point for better or worse, an emotionally significant event, a crucial time. We all experience various crises in life, physical problems, business situations, but in all probability the greatest crises occur in our family relations, and in marriage itself.**

**When problems arrive within the family or marriage, there is a strong tendency to blame the other party or someone else rather than self. Passing the buck, so to speak will not alleviate the crisis. There needs to be an examination of self, and a mutual confession of wrong, and each party pray for the other.**

**The crisis could well be test of our fidelity and love. Trials do test our faith. Tribulations, though unwanted, prompts a closer walk with God. In seeking God's help - we will petition wisdom with counsel, and by so doing receive the gift of patience in dealing with trial.**

**Many times, the crisis in our life serves in very forceful way to point us to our greatest need in life, and that is a proper relationship with Jesus Christ. This is the ultimate blessing because as Paul stated, "I can do all things though Christ." After all, didn't Jesus say that the reason he came into this world, was that we could know the truth, the way, and the life.**

**Therefore, in any crisis, remember as a child of God, you have the intercession of Christ who tells us to cast all our cares upon Him. Christ is the answer, is no idle statement when it comes to dealing with critical situations that we deal with in life.**

## Take Time to be holy

We are at the end of August and September is just around the corner. Time has gone by so quickly! With everything moving so fast it's easy to forget where you're going and lose sight of the task at hand. Sometimes people are so busy they go in a room for something or some reason, and forget what they were doing, or why they even came into that room in the first place.

Christians are blessed with the example of Jesus Christ. Jesus knew what he was about to face at the hands of sinners, so in preparation he spent time alone Praying in Gethsemane. Matthew 26:36

Christians are also blessed with wonderful Hymn's that we all sing together in worship service, and if you are like me though out your work day as well. One of my favorites is "Take Time to be holy" Author: William D. Longstaff. So many times, we sing Hymn's together, but do we think on the words we are singing? Let's look at "Take Time to be holy" as a series of questions.

- 1.) Are you Taking Time to be holy?
- 2.) Do you speak often with thy Lord?
- 3.) Do you abide in Him always, and feed on His Word?
- 4.) Do you make friends of God's children?
- 5.) Do you help those who are weak?
- 6.) Are you forgetting in nothing His blessing to seek?
- 7.) Do you spend much time in secret, with Jesus alone?
- 8.) Are you looking to Jesus, so like Him thou shalt be?
- 9.) Do your friends see in thy conduct His likeness?
- 10.) Are you letting Him be thy Guide, and run not before Him, whatever betide?
- 11.) Do you in joy or in sorrow, still follow the Lord, And, looking to Jesus, still trust in His Word?
- 12.) Are you calm in thy soul with each thought and each motive beneath His control?
- 13.) Are you led by His Spirit to fountains of love?
- 14.) Do believe that soon you shalt be fitted for service above?

**If you answered "No" to one of the above questions, the invitation is yours.**
