LORD’S SUPPER: Each Sunday we observe the Lord’s Supper, which reflects on the death, burial and resurrection of our Lord Jesus, and the hope of everlasting life we now can live through Him. (I Cor. 11:23-26)

How Important Is the Church to You?

The church is important to the Lord. It should be important to us.

The church that the Lord loved and brought is the church we read about the New Testament.

The Bible teaches that God adds saved people to the church “And the Lord added to the church daily such as should be saved” (Acts 2:47).

If God adds saved people to his church, then saved people ARE the church.

We are also taught that the body of Christ and the church of Christ are the same thing (Eph. 5:22-23; Col. 1:18).

Christ is going to save His body. Paul tells us, “He is the savior of the body” (Eph. 5:23).

So, if one wants to be saved, the person must make sure that he (or she) has been added to the church (body) that belongs to Jesus Christ.

The church should always be important to us, even after “Obeying” the first principles. The “later” principles are just as important to us as the first ones that add us to his church.

When we become Christians (members of His Church), it is then that we become “servants” of the King.

What the King wants is always important to His servants. The servants will give their “all” for the King.

Isn't that the reason the church that meets on Hwy. 249 is important to you? It is important to the King.
