THE TRUE CHRISTIAN MUST BE A SOUL-WINNER

Being genuinely interested in the souls of others, and trying to win a soul to Christ is not "just do it, if you feel like it" proposition. We are to be productive in the reproducing of ourselves as a fruit branch or we will wither away to be gathered with other dead branches and cast in the fire. (John 15)

There are other reasons Christians should be soul-winners:

IN ORDER TO BE LIKE CHRIST- Jesus was first and most a soul winner. He stated that this was His whole purpose of coming into the world (Luke 19:10).

A Christian is a follower of Christ, an individual who is like Christ, and as closely humanly possible, the world as Christ did. but we can and should be the means of bringing people to Christ.

The proclamation of the fact that Christ died for all and the setting forth of the conditions upon which He grants the remission of sins, is dependent upon His followers.

IN ORDER TO BE LIKE THE NEW TESTAMENT CHURCH- No doubt, as we read the account of the activities of the first century Christians, we learn that they were soul winners. Can we lay claim to being the New Testament church today and not be soul winners? Can we even claim to have restored the church if we are not genuinely engaged in soul winning?

We read in Acts 8:4, "they went everywhere preaching the word. Before the close of the first century, the Gospel had been preached to "Every creature under heaven."(Col. 1:23)

BECAUSE IT IS WISE - Solomon affirmed this fact in Proverbs11:30. soul winning is wise for at least two reasons. First, it is wise because it saves the soul of the person won to the Lord. A soul is a precious thing. Lose a soul and one loses that which is of more value than all the world (Matt. 16:26).

It is horrible to think of souls having to spend eternity in hell. Most of us cannot imagine the horrors of hell and what it will be like to spend eternity there. A soul winner is in the wise and noble work of saving souls from this awful place.

This is what James had in mind when he said, "He which converteth the sinner from the error of his way, shall save a soul from death, and shall hide a multitude of sins." (James 5:20)

Second, soul winning is wise because it helps the soul winner to save his own soul. We were saved to save others and to keep ourselves saved. One is not faithful to the Lord and thus acceptable to the Lord if he is not interested in saving others. To work for the salvation of others is to make a spiritual investment in our own eternal well-being. NO wonder "they that turn many to righteousness" shall shine "as the stars for ever and ever." (Daniel 12:3)
