“GOD HAS A RIGHT”

The Wise Man's admonition, "Remember thy Creator." is one that should be observed by young and old. God has made known unto us His wrath toward those who revere not, and His pleasure toward those who humble and submit themselves. Therefore, the inspired writer James, in James 4: 7-8, urged submission in drawing near unto God.

Often we are simply too busy to submit ourselves to the Lord in reverence and humility, and appear to just take God for granted. Rarely do we take time to consider that if God were to take from us what He provides, we would be without anything-even our life's breath.

We should take a few moments and think on these things.

- ☛ God has a right to a definite part of our time - He has the power to take all of it.
- ☛ God has a right to a definite part of our money - He has the power to take all of it.
- ☛ God has the right to be glorified through our tongues -He has the power to silence them forever.
- ☛ God has a right to be honored through our influence -He has the power to take all of it.
- ☛ God has a right to our lives - He has the power to take them immediately,

Brethren, think on these things, and praise God that He is long suffering and not willing that any should perish, but come to repentance (I Peter 3:9).
