LORD'S SUPPER: Each Sunday we observe the Lord's Supper, which reflects on the death, burial and resurrection of our Lord Jesus, and the hope of everlasting life we now can live through Him. (I Cor. 11:23-26)

John 3:16

16 For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

The Christian religion alone it is God who provides the offering for sin. In this sublime fact, Christianity rises above any comparison with ethnic and natural religions, in which, in all of them, it is man himself who pays and pays. It is always a man, like Prometheus, who is chained to the rock; but in the holy religion of Christ, it is God who provides the offering for man's sin.

The thought in focus here is the sacrifice of Christ. Such is the nature of sin and rebellion against God, that only God could extricate fallen humanity from the morass into which they had fallen; and God could do it only at awful cost in the giving of Jesus as an offering.

Note the significant shift of titles. John 3:14 spoke of the Son of man; here Jesus spoke of the Son of God. No MAN could have died for all men; only God in the form of man could have done it. The highest angel in heaven would not have sufficed to provide such an offering as Jesus.

Invitation

With the same old gospel preached to-night, with the Savior's love, with God's mercy, with heaven's interest, with the Spirit's pleading, I beg of you in this presence to believe on the Lord with all your heart, to renounce that stubborn will, to turn your back upon the past, to confess with the mouth that which I trust you believe in the heart, and then to walk down in the water and there be buried, and rise determined to walk in newness of life.

I bid you come to-night and give me your hand, give God your heart, and start out toward "the city which hath foundations" while all things are well"
