Welcome Visitors

We want to personally thank you for joining us today. It is our prayer you leave our worship service with an uplifted spirit. Below is what you can expect during our services.

SINGING: Non-instrumental singing plays a great part of our worship services. We hope that you will find this to be an uplifting praise to the Lord. (Eph. 5:19)

LORD'S SUPPER: Each Sunday we observe the Lord's Supper, which reflects on the death, burial and resurrection of our Lord Jesus, and the hope of everlasting life we now can live through Him. (I Cor. 11:23-26)

CONTRIBUTION: During the service, we as members are given the opportunity to give a portion of what God has given us. This money is used to support the church and to help spread God's Word. (I Cor. 16:2)

Blessed ears

The world of sound is a prime means of our communication. With our ears we can hear the wonderful words of the life-giving, life-saving gospel of Christ. Our daily enjoyment is enhanced by transporting beauty of the human voice, in song and in speech. Sounds of nature, of the big and little happenings around us every moment. Thousands of sounds to inspire, to motivate, to startle, surround us every hour. Just reading about the intricate structure of the human ear assures us that we are **“fearfully and wonderfully made”**.

But any gift, however excellent, can be abused, mis-used or neglected. The bible tells us of those who closed their ears. For them, communication was cut off. They were doomed to ignorance. No wonder Jesus said, **“he who has ears to hear, let him hear” (Mark 4:9)** Some people did not listen attentively; therefore, they misunderstood the message. **“Therefore, take care how you listen” (Luke 8:18)** some

people had itching ears. They were fickle hearers, looking for something new. something new. Yet, thankfully, there were those who listened carefully & took to heart what they heard. To these people Jesus said, **“Blessed are your ... ears, because they hear” (Matt 13:16)** Things change, but human nature does not. In twentieth century, there are some who still close their ears, some who are only casual listeners, some whose ears itch for new things, & those with blessed ears who hear attentively and responsibly. It is a blessing to hear, and a blessing to be heard, especially when we pray. The psalmist asks, **“he who planted the ear, does he not hear? (Psalm 94:9)**. Peter informs us that **“the eyes of the Lord are upon the righteous, and his ears attend to their prayer” (1 Peter 3:12)**. Give me not sounds more charming, give me ears, blessed ears.
